

THE ACE CURRICULUM

The ACE curriculum has been very carefully compiled to introduce children to concrete and abstract reasoning skills at appropriate age levels in conjunction with maturation stages. The vocabulary that spiraled from simple to complex, from concrete to abstract, as students progress from lower grades to higher grades.

We focus on Wisdom whereas most curriculum focus on knowledge (acts & information), and whereas some include understanding (relationship of information); our curriculum is distinctive in its inclusion of wisdom and a deliberate aspect of the learning process.

This unique combination of academics and methodology based on physiological development patterns and Bible principles sets Excel's curriculum apart from all other curricula on the market. It provides master learning, critical analysis, conceptualization, cognitive reading, and life from God's perspective. These differences make ACE the most advanced educational package available anywhere in the world.

EXCEL CHRISTIAN ACADEMY

PRESCHOOL is a Christian Child Care Center operated by the facilities of The Ebenezer United Church of Christ.

EXCEL CHRISTIAN ACADEMY

PRESCHOOL is dedicated to the mental, physical, and social development of children. We provide a preschool program that challenges and encourages children to achieve their fullest potential. We consider it our responsibility to help parents raise their children to be happy, well-adjusted Christian individuals. We recognize each child as a unique promise from God to each of his or her parents and we pledge to always show God's love by our words and deeds. Therefore, each teacher and teacher's aide has been chosen to reflect the idea and goals of the school.

EXCEL CHRISTIAN ACADEMY

PRESCHOOL program offers a Christian philosophy of education and a Christian environment for growth. Our programs stress writing, phonics, numbers, health, safety and manners.

SPITITUAL GROWTH God is central in the classroom. Children are taught that they are special and loved and in turn must learn to love and forgive.

EMOTIONAL GROWTH Children are encouraged to develop a healthy self-image and express their true feelings.

SOCIAL GROWTH through interaction, children are encouraged to be cooperative, considerate and helpful.

INTELLECTUAL GROWTH All programs are designed to stimulate intellectual and creative abilities.

2 – 3 Year Old Preschool Student

At Excel Christian Academy you will find dedicated Christian teachers who make the classroom an extension of the home with lots of love to each boy and girl.

In the 2-3 year old classes your child will:

- Learn pledges (Bible, American, and Christian flags)
- Learn number concepts (1-20)
- Learn the alphabet
- Learn basic phonics
- Learn colors and shapes
- Enjoy friends, playtime, lunch and naptime
- Receive practical training in manners, sharing, health and safety
- Enjoy story time
- Enjoy nursery rhymes, poetry and art
- Enjoy bible stories, chapel and music
