Missionary Circle #2 Ministry Report

The purpose of Missionary Circle #2 is to cultivate the Spirit of Jesus Christ in our lives and have a deep concern for winning others to Christ. We are striving for better brother/sisterhood, peace, and justice for all mankind. The ministry renders services to the sick and shut-ins, delivers cheer basket, and in addition makes home, hospital and nursing home visits where we fellowship, share God's word and assist with special needs.

In keeping with the aforementioned goals of Missionary Circle #2, we submit our 2010 Annual Ministry Report. During 2009 our ministry performed the following:

- We participated in the church's semi-annual Ministry Fair where we distributed brochures about the ministry and encouraged persons to become a part of Missionary Circle #2.
- In June we celebrated our 80th anniversary, and honored Mrs. Carrie Crisp, who was the oldest member of Circle #2. We are one of the oldest ministries in the church.
- Sent get well and sympathy cards to members and community persons.
- Made monetary donations to sick members and others.
- Made and distributed Thanksgiving and Christmas bags to homebound members and community friends.
- Had a project to collect canned and non-perishable food to go the allied shelter.
- Provided a monetary donation for Thanksgiving dinner to a church family.
- Members visited with sick and shut-ins in their homes and made visits to nursing homes.
- Christmas cheer and bags were distributed to our Manasseh & Ephraim residents.
