

## Manasseh & Ephraim

### November 2010 Monthly Report

We are excited to announce that in the month of December William Combs will be graduating from the House of Manasseh and Ephraim. He will be the second resident to graduate in the year 2010. We give God all the glory and the honor. This graduate will be the first to be able to experience our new Step-Down Program. William will be able to reside on campus by himself and he will be responsible for all his expenses and will attend all the outpatient class. The objective is to be an outreach to men that are constrained by substance abuse issues. The goal of the program is to assist in the recovery and transition of men from a lifestyle of chemical substance abuse to a lifestyle conducive to being a disciplined and productive citizen in society.

Manasseh and Ephraim now currently has seven men in the program, ranging from 14 days of sobriety to 17 months. This year has been an adjustment period for the program as far as job opportunities.

We have added another qualified service person to our staff for Life Skills and Mental Assessments. We are pleased to welcome Mrs. Nicole Enoch.
